**INTRODUCE A GIRL TO ENGINEERING**

**MARCH 21, 2026 | 8:30 AM - 12:30 PM**
**Gwinnett School of Math, Science & Technology**

## WHAT IS INTRODUCE A GIRL TO ENGINEERING DAY?

Introduce a Girl to Engineering Day is a half-day program sponsored by the engineering community to introduce girls to engineering through fun projects and activities. The event includes:

- Hands-on activities that will expose students to engineering concepts in an interactive and engaging way, led by engineering professionals, scientists, and STEM college students.

- Resource Center for parents, featuring engineering professionals and teachers available to chat with parents about preparing students for an engineering education, programs and camps available to students, and more!

- Drinks and snacks

**WHO SHOULD COME:** Elementary (2nd-5th grades) and middle school-age (6th-8th grade) girls who are interested in STEM.

**COST:** $5 per person

*Registration includes all event activities, as well as snacks and drinks. Each student **must** be accompanied by a parent or guardian at the event. This is **NOT** a drop-off event.*

***Parents or guardians who would like access to snacks/drinks will need to register.***
