

# Bartow County Schools

## STEM Walk/Showcase Calendar 2026-2027

The schools working toward STEM certification with the Georgia DOE host "STEM Showcases" to showcase their hard work and innovation with STEM in the classroom. We invite educators and the community to tour these classrooms to see STEM students in action! All schools are at varying levels of the STEM implementation process. We invite you to visit all our schools. Click [here](#) to be notified of upcoming STEM Walks as they are added to the calendar.

| School                                                                                           | Event              | Day       | Date    | Time          | School Facilitator | Sign Up Link                 | Portfolio Link                 |
|--------------------------------------------------------------------------------------------------|--------------------|-----------|---------|---------------|--------------------|------------------------------|--------------------------------|
